## Family Internet Safety Contract

I, \_\_\_\_\_, promise to follow all house rules for Internet use.

I agree to the rules about when, where, and how long I may use the Internet.

- I will never give out my name, address, or telephone number or the name or location of my school. If someone asks me for this information, I will tell my parents, guardian, teacher or adult that I trust.
- I will create safe usernames and secure passwords for my online accounts and share them only with my parents.
- I will not respond to any message that makes me feel uncomfortable or angry.
- I will tell my parents, guardian, or adult that I trust if a stranger online asks to meet me in person.
- I will turn off the display right away and tell my parents or a trusted adult if I see something that scares me or makes me feel uncomfortable.
- I will treat other people online with respect.
- If anybody is mean or hurtful to me or anyone else online, I will tell my parents or a trusted adult.
- I will not click on pop-up ads or emails from people I don't know. I will not download anything from websites or app stores without permission.
- I will not videochat with anyone who is not a known friend.
- I will not post anything online until I have checked to make sure it does not contain writing that belongs to someone else or says anything harmful or hurtful to others or myself.
- I will teach my parents how to use my favorite sites and apps so we can learn new things and have fun together.
